

# Spirit Themes

All themes can be easily celebrated by dressing up for the occasion!

## *Fancy Friday*

Dress your best! Dresses, suits, button-ups, ties, and anything else you feel fancy in are welcome!

## **Plaid-urday**

You guessed it... a whole day of plaid! We will be PLAID to see everyone participating ;)

## **SANDY SUNDAY**

We're going to the virtual beach! Wear Hawaiian shirts, vacation clothes, hats, sunglasses, and don't forget your sunblock!

---

## **Service Project**

This year, service will be a little different than usual. There will be a few different options for getting involved with your neighborhood community, since we are not in-person this year. Try to do as many as you can! Send in a picture of you doing these for proof of participation in order to get points. Make sure to name the file with your last name, first name, and abbreviation of the project. Example: LastFirst-food.pdf

- Canned Food Drive (food)
  - Donate canned goods, non-perishables, or any other type of food that your local pantry needs!
  - <https://www.feedingamerica.org/find-your-local-foodbank>
- Winter Clothes donations (winter)
  - It is the perfect time to give away old (or new!) winter gear to a second-hand store in your area!
- Book drive (book)
  - Many organizations accept book donations year-round. Take a look at this awesome resource which lists different places in and near Chicago to get involved!
